"My BME experience was an incredibly insightful one to learn about myself, other cultures, languages and lifestyles. Being immersed and surrounded by all kinds of people from all different backgrounds truly gives you a greater perspective of the world and it allowed my ideas to flourish into the businesses that I have today. Getting outside of your comfort zone is the key to growth and I found that in Business Management across Europe."

#### **Dolores Eamets**

"The BME programme gave me the opportunity to grow personally and professionally on so many levels. The structure of the courses allows you to obtain hands-on business experience in a dynamic, multicultural environment while gaining self confidence by overcoming the day-to-day challenges of living in a foreign country on your own, as well as providing the relevant skills and knowledge we will need in our future careers."

**Tim Strik** The Netherlands

"Business Management across Europe (BME) defined my career and allowed me to progress at an accelerated pace by making me eligible for a Master in Science and kickstart a great career in the Global Tech Industry. The high quality and diversity of the programme allowed me to understand the business world but also to succeed in this world."
